

# PALLIATIVE CARE PROGRAM

Our **Palliative Care** program is patient-centered and focused on improving quality of life for those who are seriously ill or living with complex medical conditions.

- Provides relief from distressing symptoms such as pain, shortness of breath, and fatigue
- Supports communication and decision-making about treatment options
- Offers emotional and practical support for caregivers

For additional questions or to schedule a personalized care plan, please contact Admissions at 281.922.6802.

## What We Offer

- Can be provided at the same time as life-prolonging treatments
- Eligibility is based on need, not prognosis
- Care plans reflect your needs, wishes, and expectations
- Focuses on maximizing comfort and dignity

## How We're Different

- Supports patients who choose not to return to the hospital but still want treatment for manageable conditions
- Our team works closely with you and your family to create a care plan that fits your goals
