GRANDPARENTS DAY: SEPTEMBER 7

Grandparents Day
celebrates the important role
grandparents play in families
and society, highlighting
their unique contributions
and strengthening
intergenerational bonds.
Looking for ways to
celebrate? Here are some
ideas to get you started:

Family Gatherings: Enjoy a
meal together, whether it's
dinner or afternoon ice cream.
Share stories, memories, and
quality time with one another.

Activities Together: Spend
the day doing activities

grandparents enjoy, like
listening to music, bowling,
gardening, or playing
cards and board games.

Video Messages: For long-
distance families, arrange
video calls or send video
messages to connect. Text
or email photos if you're not
able to arrange a video call.

**Take the time, Sunday,
September 7 to recognize,
appreciate, and celebrate
the unique impact
grandparents have on our
lives through their wisdom,
support, and love.**

Rehab Success Story

AT ADMISSION

Mr. R. is an 85-year-old male that was admitted to Park Manor of South Belt for skilled therapy. He was admitted to

hospital due to a fracture of the T5-T6 vertebra. Mr. R. was referred to Park Manor of South Belt for rehab due to a decline in functional mobility requiring additional assistance from others. The therapy team at Park Manor of South Belt evaluated Mr. R. and during the initial assessment, Mr. R. was only able to walk 50' with a quad cane with moderate assistance due to loss of balance. Mr. R. required moderate assistance with bed mobility, transfers, and all ADLs. Mr. R's goal was to be able to get stronger and be more independent with his activities of daily living so he could return home.

AT DISCHARGE Following a 20 day stay at Park Manor of South Belt with skilled nursing and therapy services, Mr. R. made significant improvements. Mr. R. achieved his goal of walking and was able to walk 300 feet without any assistive device. Additionally, he was independent for bed mobility, transfers, dressing, and toileting. Mr. R. was extremely motivated and always looking forward to therapy to become stronger. He was able to return home. Way to go, Mr. R.! We are so happy and proud of your progress here at Park Manor of South Belt.
